EnjoyingArt is an artist community with its primary focus being teaching art through both the Internet and local classes. Our community is for beginners and all levels.

You will be able to learn Yong's unique drawing and painting approaches, which will effectively transform your creative experiences to be more relaxing and effortless, no matter the subject matter or medium.

Memberships

Member

Enjoy the interactive learning with Yong -

- Access to all full lessons and the references used in the videos in the Learning Center as well as on Patreon
- Access to member clubs and Zoom meetings
- Use of the EnjoyingArt Discord site to share your artwork, receive feedback, and to view the work of other members
- Discounts to special learning programs

Yong will design lessons to teach you to draw and paint each month. At the beginning of each month you will receive references and learning challenge, and in later of the month, you will join Yong on Zoom for the review and critiques.

Companion

Include all Member level benefits, plus

- Monthly group critiques by Yong and feedback from Companion Members on personal projects
- Special monthly lesson with Yong
- Access to the classical drawing reference library
- Access to the website for figure drawing
- Access to recorded videos on Discord of all Companion activities

The Companion Level is a small, elite group of Patrons who wish to have a more challenging program of learning, have closer learning with Yong, and to share their work and experience with the other members with similar dedication.
